Dear Sir,

This is to inform you that, we have taken trial of GMX-8000 on our Evaporator Plant and we have found satisfactory results on the same. We are extremely happy with the performance of your product.

Your distributor M/s. Susham Agencies are in our regular contact, we are interested to purchase 14 Nos of GMX for our plant. We have received direct rates from USA from your office. Unfortunately at present our plant is under major repair and we are going to install totally new plant and the commissioning work is going on and it will take at least 2 to 3 months to get ready.

We will get back to you as soon as our plant starts working and at that time we will confirm fresh rates with you and go further in this matter.

We are very much thankful to you for GMX.

Regards,
For, Ambuja Intermediates Ltd,

Kapil Patel.
