Subject: **Performance of GMX in Hyundai Getz Car.**

Dear Mr. Vikas

This is regarding the performance of GMX Fuel Conditioner in my Hyundai Getz Car since August 2005.

I am very much pleased with the performance of GMX Fuel Conditioner in my car. It has been observed that the mileage of my car is increased by 10%-12%.

I recommend this product for all cars.

Thanking you
for Deep (India) Enterprises Pvt. Ltd.
