Sub: GMX-400 Fuel Saver on our Tata Truck Model: 2515.

Dear Sir,

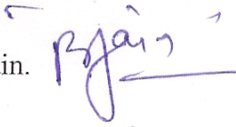

This is to inform you that following are the noticeable changes after installing GMX-400 two units on our truck no GJ-1-AY-8259 fuel (Diesel) line.

1. Before fixing GMX our truck average was 3.70 Km per liter. Carrying 17 ton load.
2. After fixing GMX it has run around 6000 kms and average has gone up by 4.07 Km per liter. Carrying 17 tons.
3. Clearly 10% saving on Diesel consumption.
4. Truck engine runs smoothly. Driver is also comfortable while driving on full load.
5. Exhaust smoke has been reduced.

We are thankful to you for such a good product. We recommend GMX to all fleet owners.

Thanks & Regards,

B.K. Jain.
