WHOMSOEVER IT MAY CONCERN

This is to certify that we have installed 02 nos.GMX- 400 magnetic fluid conditioner in our steam boilers fuel line on 2nd April 2004 supplied by M/s Susham Agencies Ahmedabad & we found that the carbon deposition on diffuser plate is less compared with other boiler which doesnot have this equipment, & also smoke emmission from boiler exhaust is reduced considerably.

For Taj Residency Ummed

Ravindra Singh
Chief Engineer
